PROFILE SUMMARY

MERN Stack Developer with a background in geospatial analysis, now focused on full-stack web development. Built real world projects including a live e-commerce platform and a movie streaming app using React, Node.js, MongoDB, and Redis. Experienced in JWT authentication, payment integration, and REST APIs. Actively seeking a full-stack developer role to solve real-world problems through code.

PROJECTS

Full-Stack MERN E-Commerce Platform

[Live Demo \(Render\)](#)

[GitHub](#)

Tech Stack: MongoDB, Express.js, React, Node.js, Redis, Stripe, Zustand, Tailwind CSS, Cloudinary

- **Authentication:** JWT access/refresh token rotation with Redis cache to prevent session hijacking
- **Payments:** Stripe API with Axios Interceptors, post-purchase success page displays Order ID and total amount
- **State & DB:** Zustand for global state, MongoDB transactional validations to prevent duplicate billing

Movie Streaming Application

[Live Demo \(Render\)](#)

[GitHub](#)

Tech Stack: React.js, Node.js, Express.js, MongoDB, Tailwind CSS, Zustand, TMDB API

- **API & Data:** TMDB API to fetch and render movies, TV shows, and actor profiles
- **Interactive:** Inline video player for trailers with automated content recommendations
- **Search:** Global search with history engine — logs queries, timestamps, and CRUD deletions

KEY SKILLS

- HTML
- CSS
- JavaScript
- React.js
- Node.js
- Express.js
- MongoDB
- REST API
- Redis
- Cloudinary
- Tailwind CSS
- Git & GitHub
- Postman

EXPERIENCE

Lidar Analyst

EDR Continuous Information Private Limited -Chennai.

Jun 2022 - Dec 2025

3 years of experience in vector mapping, aerial imagery analysis, and GIS using MicroStation. Skilled in planimetric feature extraction and LiDAR point cloud classification. Experienced in mapping utilities, road networks, and building footprints from aerial data.

EDUCATION

B.E. - Civil Engineering (2020) CGPA : 6.61

Chendhuran College of Engineering and Technology,
Pudukkottai.

HSC - 2016 Percentage: 76.71%

Valampuri Vaduganadhan Higher Secondary School,
Ponnamaravathi,Pudukkottai.

CERTIFICATION

MERN Stack Developer - EMC Academy (Apr 2026)
